**More From The
Fun Photo Booth**

Jim Dintinger, Dry Side Supervisor, and his wife **Nancy** spotted in the Fun Photo Booth at the QSA Banquet After-Party.

On Saturday, February 28th, Amarillo was awarded the 2015 QSA Division Award of Excellence at our annual QSA Awards Banquet. This is our second consecutive win and fifth in the past seven years! We truly are an Operational Dynasty! This event also gave me the privilege to recognize some very special employees who had an outstanding year. There were six individual 2015 QSA award winners, each selected based on strict performance criteria that separated them from an amazingly talented workforce. All of these winners received a trophy, cash prize, a Ben E. Keith watch and finally

a trip to Buffalo Thunder Resort and Casino in Santa Fe, New Mexico. Well earned! In addition, we had 9 winners of local division awards who were recognized and rewarded with cash and a trophy. After the conclusion of the banquet and awards presentation, we celebrated with cash drawings, dancing, photo booth pictures and great fellowship! It was a very special evening.

The challenge and excitement to win the Division Award again next year has already started and I firmly believe that the Operational Team in Amarillo will once again set the standard for excel-

lence in 2016. You are an amazingly gifted group who are unified in making yourselves, our company and our customers successful. Our spirit, dedication and work ethic is second to none!

This issue of the Dock and Road Newsletter is a celebration of our winners and all of our outstanding employees who work at the West Texas Division.

Thank you for your efforts and congratulations on *ANOTHER* championship year!

NEW GRANDBABY

Addilyn Denise Stashi

Congratulations to Kavan Yarber, Facilities Manager, and his wife Debra on their new grandbaby. She weighed 6lbs 12ozs and was 20 inches long. His daughter and son-in-law, Shelbie and Robert, are the proud parents and are all doing fine.

QSA MONTHLY RECOGNITION

Route Service Associate

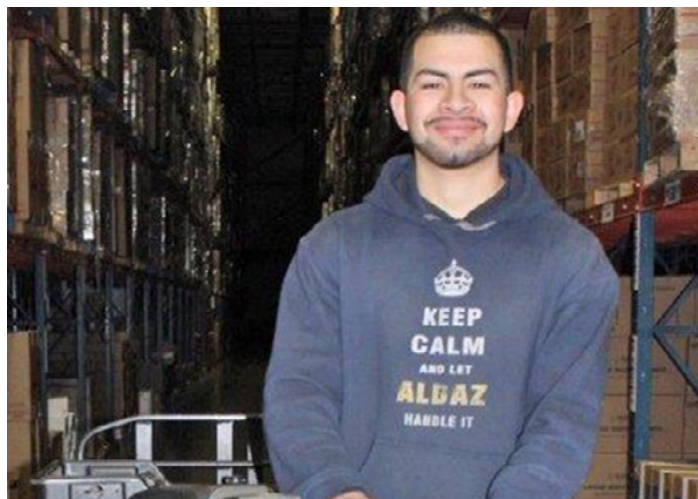

Devin is our February Route Service Associate of the month. Devin is a part of our Lubbock team where he delivered 14,316 cases in February and kept a 98.8% scan rate. Devin we appreciate your hard work and excellent customer service.
~ Heath Brandt

Day Warehouse Associate

Our day warehouse employee of the month is Mr. Gabriel Delarosa. Gabriel joined the day crew just this year when he came back over from being an order selector on the night crew. He is currently our will call selector but he also covers anything we ask him to do with no complaints. This past month we asked him to run some hot shots, learn how to QC the produce, learn how to be a day time fork all this while still covering his regular duties the second half of the day. Thank you Gabe for being a team player. ~ Everardo Lujan

Night Warehouse Associate

The Night Warehouse Associate goes to Daniel Al-daz. This man is no stranger to this award with being employee of year last year, but with his hard work ethic and dedication to the crew he could win this award every month with a FLAWLESS VICTORY! Thanks Daniel for setting a great example of what a top dog is here at Ben E. Keith. ~ Roy Montes

Selector Excellence

The selector of the month is Jordan Gemallaro. Jordan is one of our most dependable selector that can show up on time and get the job done in any temp zone with a positive attitude. Keep up good work and we want to thank you Jordan for all that you do for Ben E. Keith. ~ Jesse Rodriguez
