

Gran Sabor

GRAN SABOR literally translates to **Great Flavor** or **Great Taste**...and what adds more taste and flavor than spices?

INTRODUCING the new Gran Sabor Spice Line, a Ben E. Keith Exclusive. This line of spices is designed to add big flavor – without the big price. Each spice brings its own unique and distinct flavor in what has proven to be optimal packaging.

One key point – just because these spices are under the Gran Sabor Brand, does NOT limit their uses to Hispanic or Latino cuisine.

Anywhere the operator can use any one of these spices would be a prime application.
