

Freedom To Go.

What can you expect?

Convenience — so you can focus on the bigger picture

More cooler space and less waste

Fewer prep injuries and lower labor costs

Ready-Set-Serve is...

Table-ready, fresh-cut fruits, vegetables and freshly squeezed juices

Tight specifications

Daily facility inspections

Backed by 5-Star Food Safety[®]

Did You Know?

To match the yield of RSS Chopped Lettuce (4/5#) you would need to purchase, store and prep a 35-pound carton of head lettuce (24-count) and end up generating 15 pounds of waste (core, wrapper leaves, etc.). Why store 15 pounds of produce you're just going to throw away?
